

### The Secret Spa Mission

You have been recently recruited by The Secret Service "Dijana" (SSD) - the most powerful Secret Services that operate for different governments. Your mission is to finish all those tasks as soon as possible and make it known for SSD. Those who managed to finish all of them and reporting to us that will be posted on the secret channel of communication. SSD says that those who first get the chance to be in this planet has tendency to...

# Day one

Getting to know each other

Writing down our fears, expectations and contributions

# Day 2

Diversity in the Religion and Religious in  
diversity

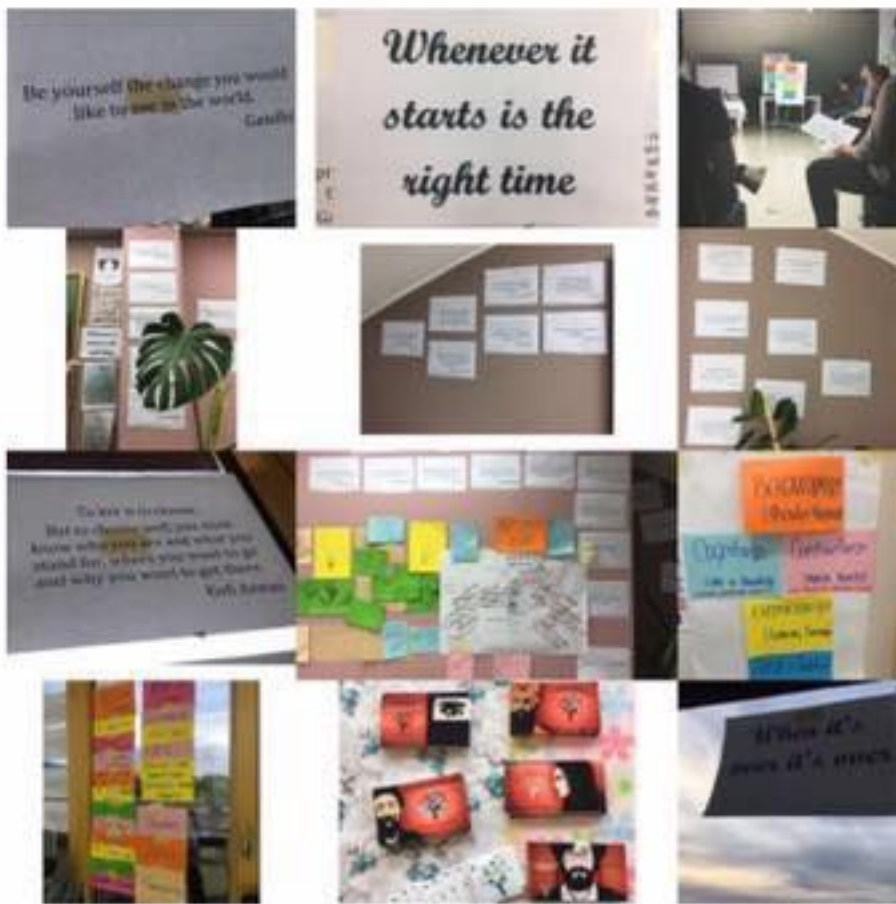

Intercultural night

# Day 3

- Board games in IRD
- IRD dialogue and debate
- IRD Role Play
- Movie night

Silent wall

NGO fair

Talent night

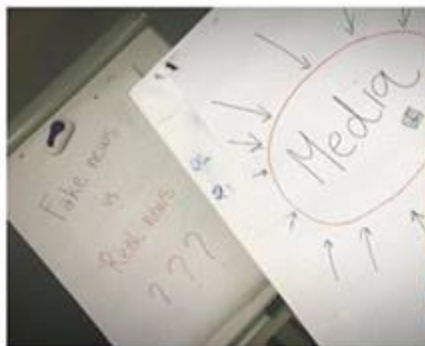

Day 4

## Day 5

During this day participants had an opportunity to learn about facilitation skills and prepare themselves for being facilitators. Also talked about how adults learn and coworking styles.

## Day 6

Special day for participants - practical placements and delivering working session in the field IRD.

Participants run their own sessions divided in groups so everyone had a chance to be a facilitator

## Day 7

Final day, final evaluations. Participants and future facilitators were telling and writing their thoughts about training and were exposing their project ideas for the future.
